## 1. Introduction

- 1.1.1 The Board of Trustees of the Raleigh Education Trust believes that Trustee allowances reflects the value that the Trust places on our Trustees in the amount of time, energy and sacrifice that they offer to the Trust.
- 1.1.2 The Trust has decided to pay reasonable allowances from the delegated budget to cover any costs that Members / Trustees / Local Governors incur through carrying out their duties.
- 1.1.3 This policy sets out the terms on which such allowances will be paid.
- 1.1.4 By adopting this policy, we will ensure that no member of the community is prevented from becoming a Member / Trustee / Local Governor on the grounds of cost.

## 2. Legislation and guidance

- 2.1 The Governance Handbook (section 4.7.1, paragraph 65) says that trust boards of academies are free to determine their own policy on the payment of allowances and expenses.
- 2.2 This policy complies with our funding agreement and articles of association.
- 2.3 Allowances may be paid to Members / Trustees / Local Governors by the Trust. Permitted expenses might include:
- a) Child care or babysitting expenses.
  - b) Care arrangements for an elderly or dependent relative.
  - c) Telephone charges, photocopying, stationery etc.
  - d) Travel and subsistence (that is, reimbursement for meals purchased that would not have otherwise been bought).
- 2.4 Academies must comply with their articles of association. The DFE model articles of association include the following text: ‘a governor may at the discretion of the Trustees be reimbursed from the property of the academy trust for reasonable expenses properly incurred by him or her when acting on behalf of the academy trust, but excluding expenses in connection with foreign travel’.
- 2.5 Trustees’ expenses should be paid on provision of a receipt at a rate determined by the Trust Board and must be limited to the amount shown on the receipt. Mileage reimbursements should be at or below authorised HMRC mileage allowances, never above (See Appendix 2). Attendance allowance and payments for loss of earnings may not be paid.
- 2.6 Member/ Trustee / Local Governor expenses are met from the Trusts central services
- 2.7 Allowances are subject to audit and the Trust will need to ensure that there are no abuses and that public money is being used efficiently. The Trust will therefore ensure that effective financial systems for authorising and processing payment are in place and policies include statements to avoid inappropriate claims.

- 2.8 All members of the Board of Trustees are allowed to vote on the nature and rates of allowances, irrespective of the rules on declaring direct and indirect financial interests. However, if an individual Trustee's claim is being considered or approved, that individual must withdraw from the meeting as he or she will have a financial interest in the outcome of the discussion. It is worth noting that the vast majority of Trust Boards vote to waive their right to claim expenses, or they confine payment to extraordinary costs incurred by a Trustee at the behest of the Board, e.g. attendance at a course for which there is a fee or subsistence expenses.

### 3. Objectives and targets

- 3.1 The Board of Trustees of the Raleigh Learning Trust believes that using the specific categories as set out below, we will ensure equality of opportunity to serve as Trustees for all members of the community and so is an appropriate use of Trust funds. The specific items allowable reflect this objective.

### 4. Action Plan

- 4.1 The following criteria will be applied:

- a) Trustees at our Trust will not be paid attendance allowance.
- b) Trustees at our Trust will not be reimbursed for loss of earnings.
- c) All Members / Trustees / Local Governors at our Trust will be entitled to claim the actual costs that they incur in carrying out their duties as a governor or representative of the Trust. Claims may be made for:
- d) Childcare or babysitting allowances.
- e) Cost of care arrangements for an elderly or dependent relative.
- f) The extra costs they incur in performing their duties either because they have special needs or because English is not their first language.
- g) The cost of travel, relating only to travel to meetings/training courses, at a rate agreed annually at the first meeting in September and which does not exceed the specified rates for Trust personnel.
- h) Travel and subsistence costs, payable at the current rates, confirmed at the first meeting of the academic year in September, associated with attending national meetings or training events.
- i) Telephone charges, photocopying, stationery, postage etc.
- j) Any other justifiable allowances.
- k) Members/Trustees/Local Governors intending to claim allowances should ensure prior approval has been obtained. Once prior approval has been received, Members/Trustees/Local Governors wishing to make claims under these arrangements should complete a claims form (obtainable from the Trust office, see appendix A) attaching receipts where possible and return it to the Trust within two weeks of when the expenses were incurred.
- l) Claim forms will be submitted for approval to the Chair of Trustees to then be presented to the Finance & Audit Committee for final approval. All claims will be subjected to independent audit. Any claim that appears excessive or inconsistent will be investigated by the Chair of Trustees (or Chair of Finance, Resource and Audit committee if in respect of the Chair of Trustees).

## 5. Monitoring and evaluation

- 5.1 This policy will be monitored throughout the year and evaluated annually by the Finance, Audit and Resource Committee at the first meeting in September to consider any changes that need to be made on the advice of auditors or to reflect decisions made on any excessive or inconsistent claims that may have arisen during the year.
